School #'s reflect 2004-2005 status

## MISSION STATEMENT

To help people improve the quality of their lives by providing research-based information & informal educational opportunities focused on issues and needs.

## **BUDGET HIGHLIGHTS**

For FY 10, expenditures decreased by \$18,133, or 2.0%. However, revenues also decreased by \$32,484, or 13.9%. The total net increase from these changes is \$14,351, or 2.2%. The entire net increase is attributable to the Soil & Water Board's Miscellaneous Activities Account, which is not County dollars. Therefore, the Department's actual net County budget (minus the Soil & Water Board) decreased by \$3,140, or 0.5%.

The N.C. Cooperative Extension will not be re-applying for a grant that funded the Preschool Nutrition Education Program. Consequently, the part-time position funded through this grant will be eliminated. This is the other major factor in the expenditure and revenue decrease for this department.

# N.C. Cooperative Extension Service

#### MISSION STATEMENT

To provide continuing education and technical/vocational training for individuals and industries to aid them in their response to changing economic conditions.

#### **BUDGET HIGHLIGHTS**

The County budget-to-budget decrease for Forsyth Technical Community College (FTCC) is \$145,000, or 1.8%. However, in FY 09 the County approved a one-time appropriation of \$250,000 for the Northwest Center for instructional salaries and support. If the one-time appropriation is removed for comparison purposes, the Adopted budget is \$105,000, or 1.3%, higher than the current year's budget.

FTCC is opening its 20,000 square foot expansion of Greene Hall in FY 10 at a total operating cost of \$105,000. This expansion was completed in partnership with N.C. Baptist Hospital and Forsyth Memorial Hospital to expand the college's nursing program to address the growing shortage of nurses.

The Capital Outlay budget includes several projects such as the final phase of the Alumni Oval and a variety of smaller maintenance projects.

The Capital Maintenance budget includes four major projects for FY 10: 1) \$130,000 for the construction of restroom facilities at the Fire Training Center; 2) \$225,000 for the replacement of a chiller and heat pump in the Carolina Building; 3) \$400,000 for the roof replacement on Snyder Hall, and 4) \$120,000 for general parking lot repairs.

\*In order to more accurately present contractual services costs, the FY 09-10 budget includes three new categories: Janitorial, Grounds and Security. In prior years, these contractual services were presented under Personal Services. As a result, from FY 09 to FY 10 the budget is showing a large decrease in Personal Services and a large increase in Contractual Services.

#### MISSION STATEMENT

To provide students with an educational program that will ensure that they become academically proficient, responsible citizens and productive workers in a rapidly changing world.

## BUDGET HIGHLIGHTS

The School's total Adopted budget is \$113,497,688, a \$2,502,000 (2.3%) increase over the FY 09 original budget.

A majority (\$2,146,500) of the increase is attributable to the operating costs associated with the opening of three new schools: Caleb's Creek Elementary, Kimel Farm Elementary and Flat Rock Middle.

#### PERFORMANCE MEASURES

These measures relate to the County goal: Create a community with educational opportunities for everyone.
