VOTING

You will be assigned a voting place within the precinct where you live. Your precinct will be assigned when you register or change address, and you will be notified by mail. You will receive a voter card after you register if you are a new voter or have made changes since the last election. The voter card will indicate the name and location of your voting place and it will also reflect your voting districts. You may telephone the Board of Elections office for the location of your voting place.

AT THE VOTING PLACE

Upon entering the voting place, give your name, address and party (primary only) to the election officials. You will be asked to sign your name. If you are properly registered, you will be allowed to vote. If precinct officials are unable to locate your registration record, you may be asked to vote a provisional ballot. **The voter will place the ballot in an envelope and SEAL the envelope. The voter must return the provisional ballot in the sealed envelope to the precinct official. The provisional ballot system allows the voter to provide registration information and to check whether his vote counted.**

CURBSIDE VOTING

If you are unable to enter the voting place because of age or physical disability, you will be allowed to vote outside the voting place. Have someone enter the voting place and inform the election officials of your desire.

HANDICAPPED TRANSFER VOTING

Handicapped accessibility rules are in place to assure that all polling places are accessible. However, if the precinct to which you are assigned is not accessible on Election Day, you may ask to be transferred. You would receive a handicapped transfer form at your assigned precinct to take to the Board of Elections office, Forsyth County Government Center, 201 N. Chestnut Street, Winston-Salem. Otherwise, you may vote a curbside ballot as described above. Contact the Board of Elections office if assistance is needed.

**ALL VOTING PLACES IN FORSYTH COUNTY
ARE OPEN FROM 6:30 AM UNTIL 7:30 PM ON
EVERY ELECTION DAY.**

VOTER REGISTRATION

You may register to vote in Forsyth County if you are:

- A citizen of the United States (if convicted of a felony, citizenship rights must have been restored)
- A person 18 years of age or older
- A legal resident of Forsyth County for 30 days by the date of the next election

Forsyth has a permanent registration system. You need to provide a change of information only if you:

- Have moved since you registered in Forsyth. If you move, it is a violation of the law to vote at your old precinct after 30 days
- Wish to change your party affiliation
- Have changed your name

A voter registration card will be mailed to you once your registration application has been processed. Keep the card, as it may be used to change your address by mail should you move within Forsyth County, change your name, or party, or cancel your Forsyth County registration should you move out of Forsyth County.

A registration form must be postmarked 25 days before an election or delivered to the Board of Elections office no later than 25 days before an election in order for your registration to be official for that election.

Registration may be placed in an inactive status if a voter card is returned by the Postal Service as undeliverable.

HOW TO REGISTER AND VOTE DURING ONE-STOP

If you are a North Carolina resident and missed the 25 day deadline for voter registration and have lived at your current address for at least thirty (30) days, you may register and vote at the one-stop location the same day. You will be required to fill out a voter registration application and provide appropriate identification with current name and current address. (Please read the IDENTIFICATION REQUIREMENT information below for appropriate forms of identification). **THE NEW REGISTRANT MAY VOTE ONLY AT A ONE-STOP ABSENTEE VOTING SITE AND NOT ON ELECTION DAY.**

IDENTIFICATION REQUIREMENT

If you do not have a driver's license or social security number, are submitting this form by mail, and have never registered to vote in the county in which you are now registering, you must send, with the application, either a copy of current and valid photo identification, OR a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows your name and address. If you do not provide the information requested above, you will be required to provide ID to election officials when you vote for the first time.

PARTY AFFILIATION

When you register, you will need to declare your party affiliation. You may register with any recognized party in the State of North Carolina. Party affiliation determines the primary in which a voter is eligible to vote. You may also register unaffiliated. During a partisan primary election, an unaffiliated voter may vote only in a party primary that authorizes unaffiliated voters. If no party authorizes unaffiliated voters, they may only vote in non-partisan races and bond issues.
