Box Total	44	BB Egg Count	02	BB Chicks	08	BB Fledged	77
-----------	----	--------------	----	-----------	----	------------	----

Season's Count Bluebirds Fledged
213

Monitor's Comments

The nesting season for 2013 is nearly complete. Any BB egg laying after this month would be somewhat unlikely.

Due to our uncommonly wet weather conditions of late, monitoring of BB nesting boxes at Tanglewood Park was not performed for mid-month July.

This report includes all data from 29 June 2013 until 02 August '13.
