"Chick" Count		05
Season Count.....Bluebirds Fledged		133
"Other" Species Fledged		10

Bluebirds are now clearly ending their Third, and last, Nesting Cycle of the year at Tanglewood.

Fledging will now decline for most Piedmont North Carolina monitors through the month.

Monitors are encouraged to share their nesting results through the North Carolina Bluebird Society...See attached survey. Problems and successes may be included with the survey.
